CHOOSING A DOMAIN NAME

In Today's Age, Your Domain Name Is More Than Just A Way For Someone To Visit Your Website! It Is Now The Founstation Of Your Entire Site's Brand.

Think about "The Big Picture" (Your Brand)

Use an appropriate domain name extension

Make it easy to memorize

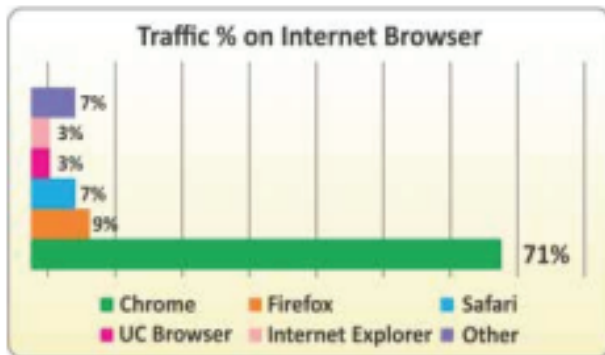

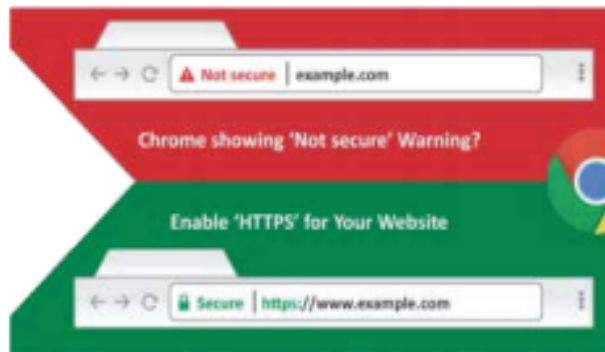

Avoid numbers and hyphens

Keep it short

1 Domain for 1 year
- Either

- .com
- .in
- .co
- .net
- .org
- .co.in

SSL CERTIFICATE

WHY DO WEBSITES NEED SSL CERTIFICATES ?

Google uses HTTPS as a ranking signal for increasing site traffic and hence sales

Prominent Security Indicators such as a lock icon and a green address bar

SSL helps in making your site secure

Websites using SSL are easily recognized by consumers & it increases their confidence in the brand
